

PRESS RELEASE

***Veolia Transportation Secures Contract Extension in Orange County
Company has operated contract since 2006***

Orange County, CA – June 22, 2011 – The board for the Orange County Transit Authority (OCTA) awarded Veolia Transportation a contract extension through June 30, 2013. Under this contract, which was originally awarded in 2006 and extended in 2008, Veolia operates the county’s paratransit ACCESS service in a cooperative venture with American Logistics.

General Manager Erik Zandhuis stated, “Veolia continues to find new ways to evolve the ACCESS services provided in Orange County. I am happy to see that our efforts have continued to be accepted by the passengers and substantiated by our client through an additional year of the contract which will keep Veolia in Orange County until 2013.”

About Veolia Transportation

Based in Lombard, IL, Veolia Transportation is the largest private-sector operator of multiple modes of transit in North America, including bus, rail, paratransit, shuttle, and sedan and taxi services, via its Transit, Rail and On-Demand Divisions. Veolia Transportation is committed to setting the standard in safe and sustainable mobility solutions through partnerships with cities and transit authorities.

The company is part of the Veolia Environnement companies in North America, with 30,000 North American employees, providing sustainable environmental solutions in water management, waste services, energy management, and passenger transportation.

About Veolia Transdev

Born out of the merger of Veolia Transport and Transdev, subsidiary of Veolia Environment and Caisse des Dépôts, Veolia Transdev is the leading global privately-owned company in sustainable multi-modal mobility. Veolia Transdev works with regional and local authorities in the provision of public transport networks from pre-planning stages through to daily operation – including project management and design. With 119,000 staff across 27 countries, the group operates 60,000 vehicles and 26 light rail networks.

In 2010 combined turnover was 6.4 billion dollars - Veolia Transport with 3.4 billion dollars and Transdev with 1.75 billion dollars.
