

PRESS RELEASE

Veolia Transportation Awarded New Contract In Yuba-Sutter, CA

Company has been operating service for 13 years

Yuba Sutter, CA, July 8, 2011 – Under a new contract Veolia Transportation will continue to operate service in Yuba Sutter California. Northwest Regional Vice President Ron Bushman made the announcement, stating that the new three year contract began July 1, 2011.

Veolia Transportation, a subsidiary of Veolia Transdev, began operating the Yuba Sutter service in 1998. In the time since the service has grown to 86 employees, operating 46 vehicles and service that includes: Fixed Route, Dial-a-Ride, Commuter Service and Rural Route Service. The company is also responsible for all maintenance on vehicles.

Bushman said, *“We’re thrilled that the Yuba Sutter board has selected Veolia Transportation to continue to operate transportations services. We’ve enjoyed a successful partnership that has endured for thirteen years.”* Bushman went on to say, *“Under the new contract we will continue to focus on providing superior service that is focused on safety and customer service.”*

Veolia Transportation will also work with the City of Yuba Sutter to remodel and expand the current transportation facility. That project is expected to be completed by the end of 2011.

About Veolia Transportation

Based in Lombard, IL, Veolia Transportation is the largest private-sector operator of multiple modes of transit in North America, including bus, rail, paratransit, shuttle, and sedan and taxi services, via its Transit, Rail and On-Demand Divisions. Veolia Transportation is committed to setting the standard in safe and sustainable mobility solutions through partnerships with cities and transit authorities.

The company is part of the Veolia Environnement companies in North America, with 30,000 North American employees, providing sustainable environmental solutions in water management, waste services, energy management, and passenger transportation.

About Veolia Transdev

Born out of the merger of Veolia Transport and Transdev, subsidiary of Veolia Environment and Caisse des Dépôts, Veolia Transdev is the leading global privately-owned company in sustainable multi-modal mobility. Veolia Transdev works with regional and local authorities in the provision of public transport networks from pre-planning stages through to daily operation – including project management and design. With 119,000 staff across 27 countries, the group operates 60,000 vehicles and 26 light rail networks.

In 2010 combined turnover was 13.2 billion dollars - Veolia Transport with 8.2 billion dollars and Transdev with 3.6 billion dollars.
