MOVEMBER

Men's Health Awareness

November 2024

Throughout the month of November, we aim to raise awareness around men's health issues, including prostate cancer, testicular cancer, and men's mental health. A big part of our Movember campaign is our annual Movember Mustache Growing Contest. You can join as an individual or as part of a team from your location. A special prize will be given to the winner! Share your progress pictures with the Marketing & Communications team during the month of November to qualify, showing both your clean shave and full-grown look.

Send your photos to US.Marcom@transdev.com or post them to Viva Engage.

If you can't grow a mustache, check out other ways to participate using this QR code.
